

## Guzhen Outdoor & Indoor Landscape Lighting

Guzhen town was awarded as "The Lighting Capital of China" by China National Federation of Light Industry in Nov., 2002. To coordinate Guzhen to build the international brand of Lighting Capital, Opplle takes "Splendent Lighting Capital, Charming Guzhen" as the primary theme to build "LED" demonstration project. Combining with the integrated lighting planning of Guzhen, Opplle designs the outer floodlighting system of Guzhen Lighting Square, Guzhen government office building and Guzhen stadium and simultaneously offers professional suggestion concerning the project.
