

T5 LED TUBE BATTEN

Extremely effective alternation to T5 fluorescent

Features

- High lumen output
- Unique design of junction part without any shadow
- No UV or Radiation, mercury free.
- Long Life Time 30000hrs

Benefits

- 50% energy saved, short pay back time
- Achieving safety requirement and perfect heat dissipation

Application

Widely used in office, stores, packing lots, workshop etc.

Energy Saving Comparison

Energy Saving Rate: Up to 50%;
Life Time Comparison: 8,000hrs VS 30,000hrs

Item	System Power	Lumen	Luminous Efficiency	CRI	Life Time
T5 LED Tube Batten	20W	1600Lm	80Lm/W	>80	30000hrs
T5 Fluorescent	28W	1300Lm	45Lm/W	>80	8000hrs
